

# Classification OA ankle

Richter M, Int. WBCT Soc (2022) Foot Ankle Clin 27(1): 13-36

**1<sup>st</sup> degree: joint space narrowing but not complete loss and osteophyte formation**

# Classification OA ankle

Richter M, Int. WBCT Soc (2022) Foot Ankle Clin 27(1): 13-36

**2<sup>nd</sup> degree: partial or complete loss of joint space**

# Classification OA ankle

Richter M, Int. WBCT Soc (2022) Foot Ankle Clin 27(1): 13-36

**3<sup>rd</sup> degree: partial or complete loss of joint space + subchondral cysts but remaining joint surface congruency**

# Classification OA ankle

Richter M, Int. WBCT Soc (2022) Foot Ankle Clin 27(1): 13-36

**4<sup>th</sup> degree: partial or complete loss of joint space + subchondral cysts + joint surface destruction and incongruency**
